**Internet Browser**

Canvas supports the last two versions of every browser release. We recommend updating to the newest version browsers and have at least two browsers available.

As of May 25, 2015 supported browsers are

- Firefox 37 and 38 (extended release are not supported)
- Internet Explorer 10 and 11
- Chrome 42 and 43
- Safari 7 and 8

For the latest information on Supported Browsers see the Canvas Guides for [Which browsers does Canvas support](https://help.instructure.com/hc/en-us/articles/115002285375-Which-browsers-does-Canvas-support).
