Part Time Clinical Education Specialist Available

The University of Mississippi Medical Center, School of Health Related Professions, Department of Occupational Therapy in Jackson, Mississippi is seeking a clinical specialist to join our dedicated team to advance the mission of teaching, scholarly activity, and service for the profession of occupational therapy. The primary role for this position will be assisting with instruction of occupational therapy students in the classroom throughout the Master of Occupational Therapy Program. In addition, this individual will be expected to assist with clinical contract development and maintenance.

Required Qualifications:

- Current license or eligibility for occupational therapist or occupational therapy assistant license in Mississippi
- Associate degree required, baccalaureate or masters preferred
- Minimum five years of clinical occupational therapy experience including clinical teaching
- Current professional memberships at national and state level (i.e., AOTA, MSOTA)

Desirable Qualifications

- Clinical experience in the area of pediatrics
- Classroom teaching experience and/or management experience
- Experience with online learning environments such as Blackboard

All interested candidates with required qualifications are encouraged to apply. Salary depends on qualifications and experience. Excellent benefits package included. Please send curriculum vitae with three letters of reference to:
